

Holiday Home Ensemble ****

Holiday home Ensemble is located in the heart of Ypres, with a fantastic view of the authentic Le Touquet Park. And a stone's throw from the Grote Markt.

Ensemble is a historic reconstruction house by architect Coomans. The building has four floors that are only accessible via the stairs! (not accessible for wheelchair users).

It offers free WiFi and parking in front of the door (blue zone). The accommodation is non-smoking. E

Each bedroom has its own sink, 2 bedrooms have a free-standing bath, 1 bedroom has a walk-in shower. Some bicycles can be placed inside the hallway.

Ensemble is pet-friendly, but we charge an additional 10 euros per night for this.
