

Poortershuis*****

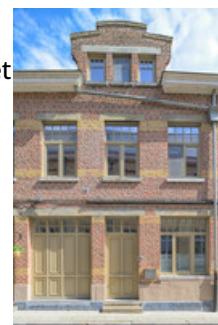

Living the good life!

We take this slogan to heart in the Poortershuis. In this unique holiday home, located on the quiet ramparts edge in Ypres, there's everything to enjoy a luxurious and relaxing holiday.

We can accommodate up to 10 people + 2 babies.

The spacious house contains 4 unique bedrooms, 2 bathrooms and 2 separate toilets.

Our sun-drenched garden terrace overlooks the beautiful ramparts. For cyclists there is a closed garden shed with the possibility to charge batteries. After a wonderful day in Ypres or after a strenuous biketrip, you can relax in our traditional Finnish sauna.
